COLORFUL MOMENTS IN LITERATURE

(THAT INCLUDES MARVEL COMICS, TOO!)

Many of the great stories, and nursery rhymes, too, contain characters who have a COLOR in their names. Coincidentally, so do many Marvel characters. A great puzzle

possibility? You said it! Fill in the missing colors. For each missing color on the literature side, Marvel has the same color. Onward, book-worm.

BULLPEN BIOPSY: JIM SHOOTER

For the uninitiated, Jim Shooter is Editor-in-Chief at Marvel Comics. This means, simply, that he has to oversee the thousand-and-one... correction... million-and-one details, both minor and monumental, that have to do with producing comic books. We had the opportunity of interviewing Jim "High Pockets" Shooter recently. It went something like this.

F & G: "High Pockets? How come?"

Shooter: "Can't imagine. Wonder if it's my height they're talking about?"

F & G: "How tall are you?" I said, as I stood on a chair cause I like to look my subject square in the eye.

Shooter: "I'm five-foot-nine-and-a-half and I weigh 215 pounds. I'm often seen bending down picking up pieces of whatever I have just knocked over and broke... oops... excuse me while I pick up the chandelier I just walked into."

F & G: "We love jokes. Tell us your favorite tall joke."

Shooter: "This one came from short-person Roger Stern: 'Hey, Jim, lend me one of your shoes. I want to go canoeing...' oops... just tripped over Roger. You know, Roger Stern is so short, he has to take the elevator up to the next floor so we can speak face-to-face."

F & G: "If you weren't so deeply entrenched in comics, what else might you be doing for a living?"

Shooter: "I'd be a professional athlete or a trolley conductor."

F & G: "Speaking about being an athlete, have you ever played basketball?"

Shooter: "Whenever I can, though I've never played in an organized league... oops... just bumped into the basketball net. I'm only average at basketball except for the edge my height gives me. I'm much better at football (defensive line), baseball (first base) and volleyball (where I am called 'team'). I've played quite a bit of volleyball on several different amateur teams in reasonably serious competition. I don't want to sound like Ali, but I'm pretty good."

F & G: "Tell us about the shortest girl you ever dated."

Shooter: "I once dated a girl who was four-foot-eleven. When we danced, her breath fogged up my belt buckle."

F & G: "How about music and television. What do you like?"

Shooter: "I like a lot of different singers and all kinds of music, especially 50's and 60's rock 'n' roll. Television? I don't watch it all that much but I guess if I had any favorites, it would be 'M*A*S*H' and 'All in the Family'."

SURE WISH
THEY'D MAKE
THESE PAGES A
BIT DEEPER!

F & G: "Remember the TV series 'The Millionaire'? What if (plug) Mr. Anthony walked into your office once he got through the armed guards at the entrance and the land mines in the hallway, and stuffed a million bucks into your grubby little hand, providing he could reach it. What would you do?"

Shooter: "I'd laugh hysterically all the way to the bank... whoops. Just walked into a Brinks armored car."

F & G: "Sheesh! Thanks... oops. Just tripped over Jim Shooter."

— Owen McCarron

Time, tide, and the production
schedule wait for no editor.

*This note from Jim Shooter was analyzed by Certified
Graphologist Margaret A. Vail and here's what she came
up with:*

Don't let first impressions of this writer fool you. He may swagger a bit and appear mysterious for a while but, really, he's just getting some new ideas going and will shortly be telling you all about it. He's so open and honest that he can't put on an act for very long. There's a good balance to the personality, warmth and sympathy without going overboard. The fact that he uses lettering lets us know that he keeps careful control of how he expressed his feelings —

no impulsive outbursts although there is enough impatience that he hates to wait around for things to happen. The evenly balanced T bars show that he is neat with handwriting, the properly placed dots on the i's show his attention to details. The strong creativity will no doubt take expression in clear-cut forms. Not much use in arguing with him unless you have a very good case — he doesn't quickly give up on an opinion.

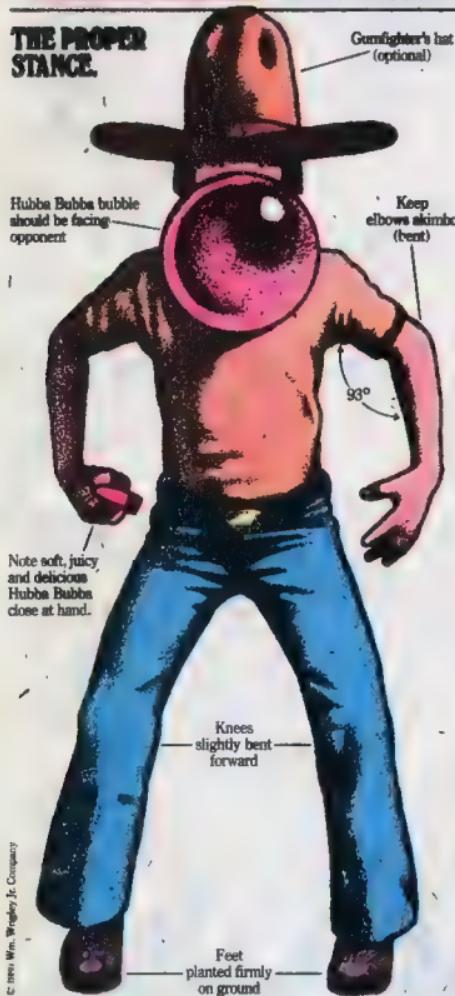

GUMFIGHTING DO'S AND DON'TS.

Hubba Bubba

The first thing to do—pick the right chew: Hubba Bubba. The soft and juicy bubble gum with amazing no-stick bubbles.™ Then proceed with this simple yet effective gumfight drill: (1) Begin blowing bubble. Note Hubba Bubba's incredibly large bubble. (2) When the Hubba Bubba bubble breaks do not be alarmed. (3) Simply remove Hubba Bubba from your face. That's right, simply remove and replace in mouth. Return to step 1. Repeat drill ten times.

THE PROPER STANCE.

Geographic availability may vary.

Big guy blowing little bubble.

Little guy blowing big Hubba Bubba bubble.

YOUR SIZE IS NOT IMPORTANT.

The size of your bubble is. And that means choosing the right bubble gum—Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

Note proper stance.

ACCEPT NO SUBSTITUTES.

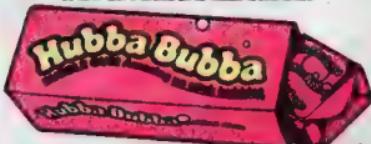

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not soft and juicy Hubba Bubba. Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

DADGUM MY BUBBLEGUM!

So pick up a pack of Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.

BIG BUBBLES. NO TROUBLES.
